## Get cash on the go!

### Use your Credit Union ATM & get your cash fast!

**Your Family First FCU ATM Card is your key to quick cash and convenience.** Instead of being locked into regular credit union office drive-up hours and limited to the cash in your wallet, your ATM card opens up new opportunities. Use your card to get cash whenever you need it – late at night, on the weekends or on a trip out of town. You can use it at Automatic Teller Machines (ATMs) conveniently located all over the country and the world!

#### It's Easy To Apply

Simply complete the form in this pamphlet, tear it off and return it to the Credit Union. Within 2 weeks, you will receive your ATM card(s) and your Personal Identification Number (PIN) in 2 separate mailings.

#### Fees

The following charges apply to our ATM card program:

- Select Checking – ATM card access:  
**\$3 per month**
- Savings Only – ATM card access:  
**\$36 annual fee**

#### Transaction Fees

Your monthly or annual fee provides you with up to 5 free ATM withdrawals per month. If you make more than 5 ATM withdrawals within a month, additional withdrawals will incur a \$1 fee each.

You will not be charged a “machine fee” when you use an ATM owned by Family First FCU or at any ATM in the CO-OP Network.

#### The Standard Daily Limit is \$500 for ATM cash withdrawals.

To locate the nearest of over 30,000 CO-OP Network surcharge-free ATMs you can:

- Go on the Internet to [www.co-opfs.org](http://www.co-opfs.org), or
- Download the free CO-OP ATM locator iPhone app at iTunes, or
- Text your address, intersection or zip code to 692667 (MYCOOP) to get a prompt response for a nearby CO-OP ATM. (Note: This is a surcharge-free service from CO-OP, but standard text messaging fees may apply from your mobile phone service provider.), or
- Download the CO-OP ATM location database direct to your Garmin, Tom-Tom or other GPS device at [www.co-opfs.org](http://www.co-opfs.org).

If the Joint Owner on your account is also requesting a card, a separate card with a unique card number will be issued to him/her. If one card is lost or stolen, the other card may still be used.
